# THE APE OF SORROWS

*From Stranger to Destroyer : The Inside Story of Humans*

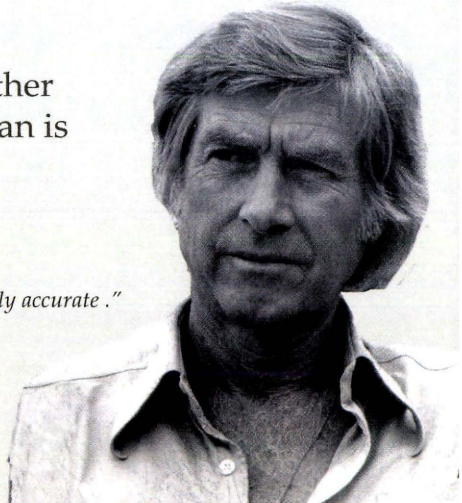

AUTHOR  
Maurice Rowdon

*An examination of the human as he is, not as he thinks he is.*

“The only measure we have to judge of any animal’s intelligence is whether it leaves its habitat enhanced or depleted, and by this measure the human is the least intelligent of all the creatures.”

THE FALL OF VENICE  
“...enthraling essays...”  
Cyril Connolly, Sunday Times

ITALIAN SKETCHES  
“Artistically exhilarating. Often piercingly accurate .”  
The Guardian
