

Did you know Raim Sopal
died last October age 95 (?) 20 29 04
in S. London hospice. e.

Dear Maurice,

Here is original entry
~~is~~ of Anette's. in David Buckman
Dictionary.

What he would be grateful
for (for up-dating new edition,
2 vol. 2005) is the date of
her death and any corrections
you may feel to make.

I would suggest to include
"born in Berlin as Anette
Fischer", assuming her father
has changed the name already
in 1931. Here is David's address:
2, Upton Grove, N1 4HG
