

Null State.

In null state,
When world is severed,
Must learn to wait.
In waiting state,
With self tethered,
Must learn to be null,
Let heart be dull.

In null body,
Where there's no touch,
Must learn to be steady.
In steady body,
With nothing to clutch,
Must learn to be null,
Let heart be dull.

In null world,
When nothing calls,
Must learn to yield.
In nothing-world,
With endless walls,
Must learn to be null,
Let heart be dull.
